

LONGPORT'S OWN SCHOLARSHIP FUND

The Herb Stern Longport Scholarship fund has sent award checks for four Longport students who will attend their college this fall. The awards for 2010 were to Alexander Funk (University of North Carolina at Wilmington); Sean and Michael O'Leary (St. Joseph's University of Philadelphia) and Kayla Marshall (Albright College, Reading, PA)

A total of \$6,000 was awarded this year from interest money received from the endowment fund and due to the generosity of Longport year round and seasonal residents who responded to the annual solicitation letter. All money received by the fund is 100% used for worthy Longport student scholarships.

Contributors may continue to donate throughout the year and dedicate their donations in recognition of a birthday, anniversary or other lifetime celebration or in memory of a loved one. Contributions to the non-profit 501(c) 3 fund are fully tax deductible.

Send donations in any amount to Treasurer Herb Stern, 22 S. 33rd Avenue, Longport, NJ or to any Board member: President George Miller, Corresponding Secretary Debbie Sykes, Recording Secretary Mike Garvin, Lynn Baumgardner, Linda Bakaj and Dorothy McGee.
